E.T. NEWS

Representatives from Educate Together Head Office visited the school on Tuesday in preparation for the forthcoming E.T. A.G.M. which will be held at the school on Saturday 26th May. The A.G.M. is a major event in the E.T. calendar and requires much planning and co-ordination by E.T. The day will consist of company business and workshops in which parents and the whole school community will participate. In order to move forward with planning we require a number of volunteers who would be willing to assist on the day (on a rota basis). Jobs include setting up hall and classrooms, meeting and greeting delegates, registration, car parking and serving food, tea / coffee, etc. Please give your name to Jane if you feel you could contribute some of your time on the day. **Executive Committee**

NOTE TO JUNIOR INFANT PARENTS

As the days are getting milder and the Junior Infants are settled into school, our next step is to line up in the 'big' yard with the other children in the mornings. So from Monday 16th April, instead of dropping your Junior Infant in the classroom, please leave your child in the 'big' yard. **Paula Howard**

PTA NEWS

Many thanks to Mary Murphy (CAPP) who gave a superb talk in the on the Stay Safe Programme in the K.S.P. on Tuesday evening. As there was such a small turnout at the meeting, we are sending home a copy of the Parents Guide with this Bulletin. We would urge you to read it as this is a vital programme which has been designed for the protection of our children and which depends on parental involvement for its successful implementation. **Mary Galway**
